

Preventing Opioid Misuse Among Girls: Enhancing Clinical Practice

Wednesday, May 15, 2019

1:00 – 3:30 PM

Where:

LifeWorks, Multipurpose Conference Room
835 North Pleasant Valley Rd.
Austin, TX 78702

About this Event

Although news reports detail the devastation of opioid misuse across the country, many healthcare professionals in Central Texas are unaware of the risk that adolescents, especially girls ages 10-17, face. Attend this session to learn about screening tools and communication skills that will help identify vulnerable clients. Share strategies and information with colleagues, and leave with information on referrals and resources.

Speaker

Lori Holleran Steiker, PhD

Professor, University of Texas Steve Hicks School of Social Work, Professor of Addictions and Substance Abuse Services, Director of Instruction, Engagement & Wellness

Learning Objectives

By the end of this event, participants will be able to:

- Discuss how opioid misuse is impacting adolescents (including girls);
- Describe evidence based screening tools that work best in primary care settings and with adolescents and girls, including pregnant teens;
- Explain how to implement the Screening, Brief Intervention, and Referral to Treatment/recovery support (SBIRT) model as it relates to providing services to youth; and
- Explain how to make a referral and navigate local recovery support resources.

Acknowledgements

This presentation is funded in part by:
OWH Grant #: ASTWH170057-01-00

Continuing Education

Continuing Nursing Education (CNE)

Jointly provided by Cardea Services and the Travis County Youth Substance Abuse Prevention Coalition.

Cardea Services is approved as a provider of continuing nursing education by Montana Nurses Association, an accredited approver with distinction by the American Nurses Credentialing Center's Commission on Accreditation.

Upon successful completion of this CE activity 2.5 contact hour will be awarded.

Successful completion of this continuing nursing education activity includes the following:

- Attending the entire CE activity
- Completing the online evaluation
- Submitting an online CE Request

Continuing Medical Education (CME)

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Institute for Medical Quality/California Medical Association (IMQ/CMA) through the joint providership of Cardea and WithinReach. Cardea is accredited by the IMQ/CMA to provide continuing medical education for physicians.

Cardea designates this live event for a maximum of **2.5 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim credit commensurate with the extent of their participation in the activity.

Participants will complete a 15 minute online evaluation after the event on their own time. They will have one week to complete it.

Registration & Fees

This event is FREE.
